

RULES OF CONDUCT

1. The Superintendent will develop and maintain through his/her administrators Rules of Conduct to govern the department of students in the schools. Such Rules of Conduct will be submitted to the School Committee for approval.
2. It will be the responsibility of each Principal and his/her staff to acquaint students with the Rules of Conduct.
3. Except in cases of emergency, changes to the Rules of Conduct shall have School Committee approval before becoming effective.
4. Copies of the Rules of Conduct shall be included in student and staff handbooks.
5. All students, teachers, and staff are held responsible for knowing the Rules of Conduct.
