Dear Pat:

This confirms what I previously shared with you, this is, my intent to retire on June 30, 2010. As you know, none of these personal decisions are easy to make, especially for those of us in the public arena, but for all of us, the time comes and for me the time has arrived. This is especially clear to me as I reflect on all that I have been involved with as I have faithfully answered the call to another school year for the past forty-three Septembers.

I greatly appreciate and will forever be grateful for the opportunities that you gave me in welcoming me to Granby. The last four years have given me the time to experience working with and for scores of talented professionals and hundreds of quality students. Since becoming a school administrator in 1983, I have had the opportunity to work directly with seven superintendents. Our school and the greater Granby community should know and appreciate that of those seven, you are the finest.

Enjoy and treasure your Thanksgiving break with your family.

Sincerely,

Daniel Lynch
Principal
