## **TITLE I SUPPLEMENT, NOT SUPPLANT**

Title I funds may not take the place of or supplant public education services that are to be provided to all students. The policy demonstrates that Title I funds are used to supplement, and to the extent practical, increase the level of funds that would, in the absence of Title I funds, be made available from non-Federal sources for the education of children participating in the Title I program.

Adopted February 7, 2005

Granby Public Schools – 2005
