

PUBLIC COMPLAINTS ABOUT SCHOOL PERSONNEL

Complaints about school personnel will be investigated fully and fairly. However, before any such complaint is investigated, the complaint should be submitted in writing.

Whenever a complaint is made directly to the School Committee as a whole or to a School Committee member as an individual, it will be referred to the building principal for study and possible solution.

The Superintendent will develop, for approval by the School Committee, procedures that assure prompt and fair attention to complaints against school personnel. The procedures will require that an employee who is the object of a complaint be informed promptly and be afforded the opportunity to present the facts as he/she sees them.

If it appears necessary, the administration, the person who made the complaint, or the employee involved may request a hearing before the School Committee. Statutory restrictions on executive sessions will be observed.
