GUIDELINES REGARDING GIFTS TO THE SCHOOLS

The School Committee has adopted a standard form for the acceptance of gifts that are to be given to the school. These gifts are to be remitted to the town treasurer in accordance with Chapter 44, Section 53A and Chapter 71, Section 37A and accounted for in a gift account on the accounts of the Town. When a balance is left or if the gift is not sufficient enough to be expended for the specific purpose the gift can be used for other educational purposes as determined by the School Committee.
