

East Meadow Building Capacity Focus Group Meetings

Please join us for our East Meadow Building Capacity focus group meetings. For the 2020-2021 school year, we are facing a facility capacity issue as we try to ensure effective class sizes, maintain our continuum of services, and provide engaging and innovative programming for our students.. The agenda for each meeting is the same and will include the following:

- Overview of current building use at East Meadow
- Overview of current and projected enrollment and class sizes
- Discussion of capacity concern
- Discussion of potential solutions under consideration
- Building tour
- Facilitated discussion for participants to share concerns and ideas to address the capacity concerns
