FOR PARENTS/GUARDIANS OF GJSHS STUDENTS:

Week in Review

This week Mr. Sullivan hosted grade level meetings for grades 7-12. He met with grades 7, 11, 12 on Wednesday and grades 8, 9, 10 on Friday. Mr. Sullivan used these meeting to introduce himself to the student body, communicate expectations (attendance and personal electronics specifically), share opportunities for student voice/leadership and share information about the new Student Support Suite. All the classes were incredible audiences.

On Thursday, September 7th we had our first Fire Drill at GJSHS. The evacuation went very well. The building was all clear in 2 min 15 seconds. The accountability component took a little longer, which is not a surprise, as we wanted to ensure all 391 people in the building were accounted for. Reminder for all staff, it is necessary for everyone (paraprofessionals, teachers on prep, etc.) to have their name on a form that gets delivered to Ms. Lacoste and/or Ms. Tease. Overall, we did a great job according to the Granby Fire Department.

Looking Ahead:

Curriculum half-day--Tuesday, September 12 is a Curriculum half day. Students will be dismissed at 11:00AM. Professional development will begin after lunch at approximately 11:40AM (more details to follow).

GJSHS Parents' Night is Thursday, September 14. This event will begin at 6PM with a welcome from Mr. Sullivan. There will be school-wide information shared, prior to parents having an opportunity to follow their student's schedule and meet individual teachers. Mrs. Jordan is hosting a fall athlete parent meeting at 5:30P.

Next advisory; October 13th

Go Rams!

Things to know....

On Tuesday, September 5 night the School Committee voted to approve the Personal Electronics Policy we proposed. Thank you to the faculty/staff for your feedback and support throughout the process. The policy can be found [here](#).

ATHLETICS:

On Mondays student athletes are required to pick up “grade check” forms in the main office. Ms. Jordan has asked the athletes to bring the forms to teachers on Thursdays and Fridays so you can start filling them out. The grade sheets should reflect grades & behaviors in your classes. Once completed, the athletes will be submitting the grade forms to their coach. The coach will use discretion whether or not the grade sheet needs to go home for parental signatures. This sheet will then be returned to Ms. Jordan on Monday. The grade sheets will teach our student athletes responsibility and provide constant communication between coaches, parents, and Mrs. Jordan, the Athletic Director.
