- GJSHS faculty had their final faculty meeting of the 2018-19 school year on Monday, June 3rd. We reflected on our year and gave out our “staff superlatives”. We are fortunate to have such a caring, supportive and fun group of people to work with every day.
- We had our final mentor/mentee meeting of the 2018-19 school year on Tuesday, June 4th. Thank you to all of our mentors and new teachers who are helping us refine our induction and mentoring process in the Granby Public Schools.
- The 2019 Spring Biology MCAS was given on Tuesday, June 4th and Wednesday, June 5th.
- Karen Ranen (school nurse) and Tracy Mayo (science teacher) partnered with [Help Yourself](#) , Inc a local nonprofit organization that assists institutions like Granby Jr. Sr. High School in starting and maintaining orchards accessible to the community. On June 6th students from Ms. Mayo's 8th grade science classes and the High School Environmental Science class completed phase one of this project by planting a a bio-diverse orchard of over 20 trees along the northwestern edge of the sports field. The fruit trees planted included Honey Crisp Apples, Peaches, Asian and Bartlett Pears, Persimmons, and Paw Paws. Phase two of the project will include plantings of vegetables, berries, and wild-flowers. We are seeking donations for wood chip deliveries, which would help mulch the trees and establish this project. We are also seeking families willing to sponsor a tree. Please contact at helpyourselfnoho@gmail.com for details and further information if you are interested
